Dear Mr. Steele:

Please accept my apologies for not replying to your letter of March 16th sooner. Enclosed with your letter, of course, was your Mining and Reclamation Plan. Since you are making this application on the basis of Section 26, paragraph 1 of the Act we have not yet completed the reviewing of your plan.

We will now begin the review and approval process on your Mining and Reclamation Plan. We will be in contact with you if we need any questions answered relative to this plan.

Thank you for your cooperation in this regard.

Very truly yours,

Ronald W. Daniels  
Coordinator of Mined
