MEMORANDUM

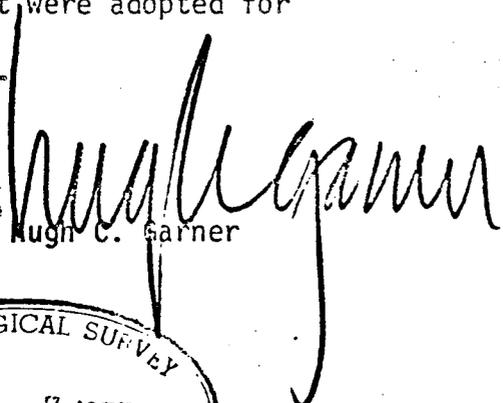

TO: Deputy Under Secretary Lyons

FROM: Deputy Solicitor

SUBJECT: Plan No. 1 - Huntington, Canyon No. 4
Swisher Coal Co., Utah

Plan No. 2 - Belina # , The Valley
Camp Company of Utah, Inc., Utah

I have reviewed the subject plans for legal sufficiency and it is my opinion that plan No. 2 does comply with the applicable regulations and policy statements of the Department. The only question I raise, with respect to plan No. 1, is why the Director fails to make a determination as to revised alternative "0" but rather submits "the plan for review under the principles" of such policy. It occurs to me that this concern could be obviated if the same language used in the case of plan No. 2 in this respect were adopted for plan No. 1.
