Re: Belina #1 Mine
ACT/007/001 &
ACT/007/014 - Utah #2 Mine

Dear Mr. Whitesides:

Please find enclosed a copy of the Utah Mined Land Reclamation Act and a copy of the recently adopted Rules and Regulations for the State Law. The Division does not have a copy of the Federal Act (Public Law 95-87) or the Federal Rules and Regulations available for distribution, however, Mr. Roger Markle or Mr. Robert Steele of Valley Camp would most likely have a copy.

To answer your question regarding an extension, an extension was granted on May 3, 1978 pertaining to pre-existing, non-conforming structures and/or facilities, in order to bring them into compliance no later than November 4, 1978.

We would appreciate the opportunity of getting together in the near future to review your mining operations in light of the Federal Rules and Regulations and will be in touch to arrange a date.

Sincerely,

JAMES W. SMITH
