February 22, 1985

Mr. Allen Klein, Administrator
Office of Surface Mining
Brooks Towers
1020 15th Street
Denver, Colorado 80202

Dear Mr. Klein:

RE: Amendment to Southern Utah Fuel Company's Mining And Reclamation Plan, Response to December 26, 1984 Letter, ACT/041/002, Sevier County, Utah

Enclosed please find seven (7) copies of the response to a deficiency letter received by Southern Utah Fuel Company. This submission needs to be included in their permit application to update the mine permit application. This Response is being forwarded for review by the Office of Surface and Mining.

The Division appreciates your cooperation and asks that all comments and communications, regarding the mining and reclamation plan review, be channeled through this office to allow a single set of stipulations and requirements to be sent to the operator. The Division is attempting to complete its review of these plans by March 8, 1985. If your agency has any comments on these plans please forward them by the above date. If you have any questions, please contact me or Susan C. Linner of my staff.

Sincerely,

Ronald W. Daniels
Acting Administrator
Mineral Resource Development
and Reclamation Program
