RE: Blazon Mine
NOV N83-5-10-1
ACT/007/021
Folder No. 7
Carbon County, Utah

Dear Mr. Smith:

In response to your letter of June 30, 1983, please find enclosed a modification to Violation N83-5-10-1 wherein the abatement deadline is extended to July 29, 1983 as requested.

Given the serious nature of this problem, a three week extension is in all likelihood the maximum extension which can be granted for this situation. Please advise me when the abatement measures have been complied with so that I may inspect at the mine to terminate this violation as soon as possible.

Sincerely,

John J. Whitehead
