Dear Mr. Dykman:

RE: Request for consultation: Blazon Mine, ACT/007/021, Folder No. 2; Kinney #2 Mine, PRO/007/027, Folder No. 2; Black Jack #1 Mine, PRO/019/004, Folder No. 2

As per our phone conversation of August 24, 1984, I would like to request a formal opinion from your office on the requirement for cultural and/or historic resources surveys on the above noted minesites.

The Blazon #1 Mine is an existing mine and no further disturbance is planned at this time. Both the Kinney #2 and Black Jack #1 mines are proposed expansions on previously mined areas.

We are presently involved in the permit review of all three of these mines. A reply by September 28, 1984, would be appreciated. Please contact me if I can provide further information on any of these mines.

Sincerely,

Susan C. Linner
