Speed Message

To MR. LOWELL BRAXTON

Date Feb. 4, 1988

From DAN W. GUY (BLACKHAWK Eng. Co.)

Subject BLAZON CHANNEL DESIGN ~~(C-87-15-0201)~~ UNDER SMP

By this note, I am requesting an extension of time to submit a conceptual channel design for the Blazon Mine to Feb. 15, 1988. Due to my late involvement in the project, it was not possible to meet the original Jan. 30, 1988 timeframe.

Signed Dan W. Guy

Approved LP Braxton 2-4-88
