Re: Blazon Mine ACT/007/021 & AMR/007/924/R
Notice of Intent to Conduct Reclamation Activities

Dear Mr. Peper:

The Utah Division of Oil, Gas and Mining (Division) is preparing to conduct the first phase of reclamation at the abandoned Blazon #1 Mine bond forfeiture site. You are being notified of this intent because you own the coal rights to the property where the mine site is located.

The first stage of reclamation will consist of plugging the water well at the mine site. Enclosed is a tentative schedule of when this plugging is to take place. You will again be notified approximately two weeks before this first phase is to begin.

Subsequent phases of reclamation will follow. We will keep you apprised of the scope of work and work schedule as they are developed.

Sincerely,

Lowell P. Braxton
Associate Director, Mining
