Re: Valley Camp of Utah
ACT/007/001

Dear Ms. Wright:

As a result of your request for consultation for fish and wildlife information on the permanent permit application by Valley Camp of Utah for the Belina #1 Mine, we have reviewed the Environmental Impact Statement (EIS) by James J. Travis on May 26, 1976. The analysis covers Federal Coal Leases U-017354, U-020305, and U-044076.

We find this EIS to adequately cover the fish and wildlife impacts which will occur as a result of the mining activity.

Sincerely,

W C Christensen
