Re: Surface Water Monitoring

Dear Mr. Daniels,

On June 23, 1980, an inspection of our Utah No. 2 and Belina facilities was conducted by Eileen Doherty of the Office of Surface Mining and Mary Kay Stein and Joe C. Helfrich of your office. During the course of the inspection, results of our surface water monitoring for 1980 could not be located. A tabulation of such results is enclosed for your inspection at this time.

Please bring this to the attention of Mr. Helfrich.

Sincerely,

Trevor G. Whiteside
Senior Mine Engineer
