Inspection Memo
to Coal File:

RE: Valley Camp of Utah, Inc.
Utah #2
ACT/007/014
Carbon County, Utah

On October 10, 1980, Division representatives Joe Helfrich, D. Wayne Hedberg, Sandy Pruitt and Tom Portle visited the Valley Camp mine office. The purpose was to discuss with Mr. Trevor Whiteside a Division Directive addressing the sedimentation pond adjacent to the Utah #2 access road.

Mr. Whiteside was on vacation and Mr. Bill Haynes, Vice-President, discussed the directive with the state personnel. Mr. Haynes will consider the options at his disposal and notify the Division as to Valley Camp's final decision as soon as possible.

In addition to the aforementioned discussion, the restrictive use of Valley Camp's property currently leased by Coastal States and Getty Oil Corp., (Skyline) was discussed. A copy of the agreement between the two companies was obtained for the Division files.
