RE: Grading and Drainage Plan  
Belina #1 Mine  
Valley Camp Coal Company  
ACT/007/001

Dear Don:

Enclosed are two copies of the narrative and five copies of the grading and drainage plans for the Belina #1 Mine. The Division would appreciate your staffs review and comments.

For reasons discussed in Mr. Haynes' letter, the Division is going to allow Valley Camp Coal Company to continue with the construction of the coal silo pad prior to completion of plan review with the stipulation that anything which does not meet the performance standards and the concerns of the regulations will need to be modified or changed by Valley Camp Coal Company. A copy of the Division's approval letter is enclosed for your staffs review.

If you have any questions, please contact Mr. Tom Suchoski of my staff or myself.

Sincerely,

JAMES W. SMITH, JR.  
COORDINATOR OF MINED LAND DEVELOPMENT
