RE: Request for Time Extension
Plan submittal for Sediment
Pond Modifications
Belina Mine /
ACT/007/007
Carbon County, Utah

Dear Mr. Whiteside:

This letter is submitted in response to your personal visit and verbal conference with the Division on December 5, 1980. A time extension was requested beyond the December 19, 1980, deadline for submittal of the design information regarding the sediment pond modifications at the Belina Mine.

The Division hereby grants Valley Camp of Utah, Inc., an extension until such time as finalized plans are drafted for the design and construction of said sediment ponds. These plans must be submitted to and approved by the Division prior to initiating any modifications to Valley Camp of Utah's existing sediment ponds.

Should any questions arise in reference to the requirements of this extension, please contact myself or Wayne Hedberg.

Sincerely,

JAMES W. SMITH, JR.
