Re: Permit Renewal
Savage Industries, Inc.
Savage Coal Terminal
ACT/007/022
Carbon County, Utah

Dear Mr. Hadlock:

Per our phone discussion this morning, I am faxing this letter to notify the Division of the intent of Savage Industries, Inc. to renew the above referenced permit for the Savage Coal Terminal.

The existing permit will expire on August 8, 1999; therefore, this letter will provide the minimum 120 day notice for renewal. It is my understanding that a copy of the updated Liability Insurance and Reclamation Performance Bond are on file with the Division. I will send a copy of the proposed newspaper notice for your review and comment.

As we discussed, we are in the process of rewriting the plan in accordance with the R645 rules and format. I intend to have this completed by the end of April or early May 1999. This is simply a reformatting of the permit — we are not proposing any changes to the existing permit.

I appreciate your willingness to work with me on this renewal notice, since I am out of town. If you have any questions, or need any additional information, please contact me at (435) 637-2422. I'll be back in the office on 4/19/99.

Thanks Again.

Respectfully,

Dan W. Guy
