Re: Permit Transfer, Gypsum Resource Development, White Cap #8 Mine, S/015/047, Emery County, Utah

Dear Mr. Larkin:

On November 14, 2001, Clark Powell came to our office and signed a copy of form MR-TRS to transfer the permit for the referenced mine. He also paid the $100 fee for the current 2001 year. I understand from my conversation with you that you are desirous to transfer the permit. If so, please sign the enclosed form and return it to our office within the next 10 days.

The permit fees had never been paid for this mine, but since Mr. Powell paid for this year, the 1998, 1999 and 2000 permit fees are still outstanding and remain your obligation. As you are aware, the past due fees have been sent to the Utah Office of Debt Collections, so there will also be additional penalties and interest added to the $300.00 due. You need to contact them at (801) 538-3347 or 538-3603 for the correct amount.

Please call me at 801-538-5261 if I can answer any questions.

Sincerely,

Paul B. Baker
Senior Reclamation Biologist

DIVISION APPROVAL CERTIFICATION

This is to certify that I have examined this application for transfer of the aforementioned small mining operation and do hereby grant approval of the same, subject to the following limitations:

(a) This transfer of small mining permit grants only the right to affect the lands as legally described in this application.

(b) The transferee, or such other person as required by UCA 1953, Title 40-8, as amended, has acquired the legal right to enter and mine the lands as described in this application.

(c) A topographic map of suitable scale is attached (as Appendix "A") which clearly outlines and labels the existing disturbed area boundaries through the date of this transfer.
