Dear Mr. Pappas:

Re: 1989 Annual Emission Inventory

You recently requested from our office an annual emission inventory for your coal mine. This is to meet a Division of Oil, Gas, and Mining permit requirement.

An annual emission inventory for 1989 for sources in your area has not been compiled due to lack of manpower resources. However, we anticipate doing the inventory for the 1990 calendar year. If you have any questions, please contact me at (801) 538-6108.

Sincerely,

Donald E. Robinson
