RE: Topsoil Exchange  
Skyline Mine and  
Belina #1 and #2 Mine  
ACT/007/005 and  
✓ACT/007/001, Respectively  
Carbon County, Utah

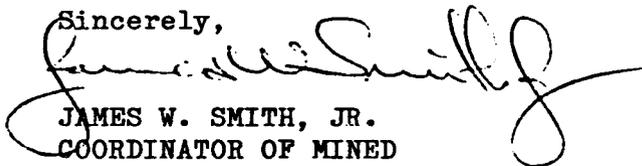

Dear Mr. Mortensen:

Pursuant to the request of Coastal States Energy Company and Valley Camp of Utah, Inc., for transfer of 6,000 cubic yards of topsoil produced from road construction within the Skyline Mine permit area to the Belina #1 and #2 Mine permit area for reclamation purposes, please find enclosed a copy of the Division's approval letter to Valley Camp dated August 21, 1981, for said exchange with stipulations.

This action will serve the dual purpose of facilitating revegetation efforts at Valley Camp's operation while simultaneously moving toward abatement of NOV #81-3-4-6 for Coastal States.

Thank you for your cooperation and concern in this matter.

Sincerely,
