Dear Mr. Steele:

On September 8, 2003, the Division notified you that your mining operations were placed in suspension for failure to pay the required permit fees for year 2003. Payment was received on September 18, 2003; therefore, the mine status is no longer listed as being in suspension. Your operations may resume as before.

In order to avoid this from happening in the future, payment of the fee by the due date (last Friday in July) would be appreciated. Thank you for keeping your mine permit in good standing.

Sincerely,

Ronald Munson for
