RE: Annual Mining Reports for Year 2000

Dear Mr. Hedberg:

Enclosed you will find the Annual Report of Mining Operations for the various mines we are involved in. I apologize for the delay in getting them to you. A member of our staff, who had the computer knowledge to provide us the numbers we needed, passed away last year. We didn't realize that he was involved in this and it took some time for us to be able to gather the information. Now that we have been able to find his secret, we will be able to do it in a more timely fashion in the future.

Please call if you have any questions.

Sincerely,

P. J. Edwards
Manager, Office Operations
