Subject: Dugout, SC3, and Banning

Dear Pam:

I have successfully completed uploading in the State's EDI system the electronic files for the Dugout Canyon/Soldier Canyon Mines and Banning Loadout third quarter 2000 water monitoring. The data sheets were forwarded to your office several weeks ago by Mr. Dave Spillman, Canyon Fuel Company's Technical Services Manager for the above referenced properties. Please let me know if you have any questions or problems regarding the submitted electronic data.
