Dear Sirs:

Our file records indicate that we have not received the annual report forms for your mine project(s) as identified below. These forms were due on January 31, 2003.

Mine Status	Mine Number	Mine Name	Contact Person

Annual reports are required by Rules R647-3-116 and R647-4-121 of the Division's Amended and New Rules, Minerals Reclamation Program.

Reports are required regardless of annual mine activity, unless you have received a written waiver or formal release from reclamation obligations from the Division.

Your failure to file the required forms could result in the issuance of a Notice on Non-Compliance and subsequent enforcement action(s) as authorized under the Utah Mined Land Reclamation Act and its interpretive rules.

Please complete and return the enclosed report forms for the above-listed mining project(s) within 10 days of receipt of this notice to avoid further action.

Thank you for your cooperation and prompt attention to this matter.

Sincerely,

D. Wayne Hedberg
