RE: Valley Camp of Utah, Inc.  
Eccles Canyon Topsoil  
Exchange  
ACT/007/001  
Carbon County, Utah

Dear Mr. Whiteside:

After reviewing your letter of October 22, 1981, it is felt that the mulching techniques are described sufficiently to answer point number 1, 2 and 3. The seed mix that was supplied is approved for temporary reclamation only, provided that the rate of application follows the amount outlined for Pure Live Seed. This answers point #4.

At this time, the Division approves the topsoil exchange as planned.

Additionally, it has been understood that you will be sending the Division a letter of confirmation addressing the adequacy of culvert sizing as referenced in point #4 of June.

Sincerely,

JAMES W. SMITH, JR.
