Mr. David Pearce
Sunnyside Cogeneration Associates
P.O. Box 58087
Salt Lake City, Utah 84158-0087

Dear Mr. Pearce:

Re: Updated Page Required and One Copy of Entire PAP, Sunnyside Cogeneration Associates, Coarse Refuse and Slurry, ACT/007/035, Folder #2, Carbon County, Utah

Pursuant to the resignation of Mr. William R. Dimeling from the Board of Directors of Environmental Power Corporation on February 2, 1993, it is necessary to revise page 100-3 of the Sunnyside Cogeneration Associates' mining and reclamation plan.

Additionally, please submit one more copy of the entire approved permit application package for transmittal to the Albuquerque Field Office of the Office of Surface Mining Reclamation and Enforcement (OSM).

This letter is a follow up to a telephone request made to Mr. Brian Burnett on February 9, 1993. Please submit all of the above-requested information by February 26, 1993. Thank you.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
