Re: Notice of File Closure for Small Mining Activities, Galena #1 & #2 Project, S/027/016, Millard County, Utah

Dear Mr. Rogers:

This letter is to notify you that file #S/027/016, for the Galena #1 & #2 project, located in Section 19, T21S, R9W, Millard County, Utah, will be retired from our files.

The BLM recently inspected the project area and found the surface reclamation satisfactory. The BLM subsequently closed out their file for this project. Because this project is located on BLM managed lands, we will accept the BLM's recommendation and also close our file accordingly. You are hereby released from any further mining or reclamation responsibility at this site. You will not have to pay the $100.00 permit fee that was recently sent to you. If you wish to restart any mining in this area, you will have to submit a new notice to the appropriate agency and receive written approval prior to creating any disturbance.

If you have any questions or concerns regarding this action, please notify us within 15 days from receipt of this letter. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

Tom Munson
