Hello,

With the approval of the Reopening of the B Canyon Portal, (Approved 6/12/12, Task ID #4098) the disturbed area has increased for the West Ridge Mine. The Reclamation Agreement has not been updated since 2009 and there have been several disturbed area increases since that time. The total disturbed acreage is 31.24. Please help us keep the Reclamation Agreement updated by completing the attached forms and returning them to me as soon as possible, but by no later than the end of the following quarter, September 30, 2012.

Thank you.
