RE: Approval
Mine Water Filter Pond Permit
Belina Mine Complex
ACT/007/001
Carbon County, Utah

Dear Mr. Foust:

The Division of Oil, Gas and Mining has reviewed Valley Camp's August 25, 1982 submission in response to Ms. Kefer's deficiency letter of August 4, 1982. All items were adequately addressed. This letter, therefore, constitutes approval to modify the existing mine water filter pond at the Belina Mine Complex. The pond modification review includes the July 24, 1981 and August 25, 1982 Valley Camp letters to OGM, and the May 17, 1982 Valley Camp letter to Water Pollution Control.

Sincerely,

A handwritten signature in cursive script, appearing to read 'James W. Smith, Jr.'.
