RE: Valley Camp Mining Permit Extension
Belina Complex
ACT/007/001
Carbon County, Utah

Dear Mr. Vance:

I have been informed by Sarah Bransom of OSM that you have requested a copy of the most recent maps concerning the proposed mining extension beyond the December 31, 1982 deadline. At this time other copies of the two maps have been requested. There appears to be some difficulty in contacting Mr. Trevor Whiteside at this time, therefore I am forwarding the Division's only 2 copies to you for review in hopes that it will expedite matters. Should we be unable to obtain other maps I am requesting they be returned when you have concluded your review.

Please call if you have any problems with the situation.

Sincerely,

THOMAS N. TETTING
ENGINEERING GEOLOGIST
