Dear Mr. Crossland:

Re: J. B. King Mine, ACT/015/002, Western States Minerals Corporation, Emery County, Utah

Pursuant to David Hansen's May 11, 1992 letter, received on May 15, the date for submission of reclamation plans in the subject letter is extended from May 15, 1992 to June 30, 1992. I agree that adequate designs and appraisals of field conditions will enhance success of this reclamation effort. Please maintain contact with Pam Grubaugh-Littig or specific members of her review team through this extension period to ensure adequacy of the submission.

Sincerely,

Lowell
