RE: Mine Plan Review
Beaver Creek Coal Company
Huntington #4 Mine
ACT/015/004
Emery County, Utah

Dear Mr. Smith:

This office has completed its review of the above mentioned MRP. The sedimentation ponds do not appear to threaten life or property; therefore, approval is given for their construction.

The water rights for the project have, also, been reviewed. The company has purchased Huntington-Cleveland Irrigation Company stock, but an Application to Exchange is needed to alter the water uses, point of diversion, and period of use.

Please notify this office when approval is given to the company.

Sincerely,

Dee C. Hansen
