RE: Transmittal of ACR Material  
Belina Complex  
Valley Camp of Utah  
ACT/007/001  
ACT/007/014  
File #6

Dear Sarah:

Please find enclosed seven copies of a revised D-1 Plan Map, revision number 3 for the Belina Complex, Valley Camp of Utah; three complete packages of the March 1983 ACR resubmittal; and one extra copy of the September, 1982 ACR resubmittal. I hope that these will bring your mine plans on file up to date and make everyone overjoyed concerning their completeness.

Let me know when there is anything further I can do.

Sincerely,

A large, stylized handwritten signature in black ink, appearing to read 'Thomas N. Tetting'. The signature is written over a horizontal line and extends across the right side of the page.

THOMAS N. TETTING  
ENGINEERING GEOLOGIST
