RE: Clarification of Conditional  
Approval Letter of Belina  
Road Modification  
ACT/007/001  
Folder No.'s 3 & 4  
Carbon County, Utah

Dear Mr. Whiteside:

This is to clarify an error in the June 20, 1983 conditional approval letter concerning the Belina Road Modification. The drainage control plans for watersheds #5, #6 and #8 have been reviewed and approved.

The drainage area north of the conveyor has not been reviewed or approved. This will be done during the overall MRP review.

Please respond to the stipulations as indicated in the June 20th letter and to the above clarification as to your acceptance.

Sincerely,

JAMES W. SMITH, JR.
