RE: Determination of Completeness
Valley Camp of Utah, Inc.
Belina Mine Complex
ACT/007/001, Folder No. 2
Carbon County, Utah

Dear Mr. Boley:

Thank you for bringing to our attention the error found in our August 29, 1983 Determination of Completeness letter for the Belina Mine Complex. You are correct in noting that UMC 786.11(b)(1) refers to "underground" mining rather than "surface" mining. The oversight has been rectified and all future correspondence shall reflect the proper terminology.

Sincerely,

A handwritten signature in black ink, appearing to read 'James W. Smith, Jr.', written in a cursive style.
