Re: Request for Assessment Conference
Violation Numbers N83-7-6-1 & C83-1-1-1

Dear Mr. Daniels:

Pursuant to your September 7, 1983 letters proposing civil penalties for the subject violations, I respectfully request an assessment conference for each violation.

The nature of the conferences will be related to contest of the occurrence of the violations, and, also, the proposed assessment for each.

In addition, I would also request the conference to be held at the offices of Valley Camp of Utah, Inc. This would allow for on-site inspection of the areas of supposed violations and would, hopefully, result in a more objective determination.

The choice of a date and time is at your convenience.

Thank you for your consideration in this matter.

Sincerely,

T. G. Whiteside
