Dear Mr. Guy:

Re: Exploration Regulations, Beaver Creek Coal Company, Trail Mountain #9, ACT/015/009, Folder #2, Emery County, Utah

For clarification, this letter is for your information about coal exploration programs. Coal exploration outside of the permit area requires a "Notice of Intent" (UMC 776). If the coal exploration is located within the permit area, an amendment to the permit is required.

If you have any questions, please call me.

Sincerely,

Pamela Grubaugh-Littig
Reclamation Engineer
