## Memorandum

To: Utah Senior Project Manager, OSM, Denver

Attention: Ms. Sarah Branson

From: Chief, Branch Mining Law and Solid Minerals

Subject: Valley Camp of Utah, Inc., Belina Complex  
Mining and Reclamation Plan (MRP)

The maps and pages to the subject plan that were transmitted with your letter of October 24, 1984, have been reviewed for completeness and technical adequacy. This information dated October 14, 1983, is a supplement to response to Utah DGM Technical Deficiency Review.

The supplement material is compatible to the underground mining part of the subject plan and 43 CFR 3482.1(c) rules and regulations.

The coal recovery procedures are not changed and there are no concerns with this information for future recovery of coal resources.
