Re: Belina No. 2 Mine
5-Year Projection (Revised)

Dear Ms. Bransom:

In response to your phone conversation wherein you questioned the accuracy of the subject map sent to you as part of the November 16, 1983 submittal, I am enclosing five (5) copies of that map, as revised, pursuant to your inquiry. As previously indicated in the November submittal, these copies are to be inserted into Envelope No. 6 of Volume IV. Please destroy those previously submitted.

Sincerely,

T. G. Whiteside
Chief Engineer
