RE: MRP Review - Belina Complex

Dear Diane:

The Division has evaluated Valley Camp of Utah Inc's October 14, 1983 response to the addendum to their technical deficiency review for the Mining and Reclamation Plan at the Belina Complex. We have also reviewed their response to the remaining permit application package inadequacies, dated November 16, 1983.

The Division has no specific comments concerning these two submittals.

Thank you for an opportunity to review the MRP and provide comment.

Sincerely,

Douglas F. Day
Director
