RE: Notice of Violation N83-4-8-1
Emery Deep Mine
ACT/015/015, Folder #7
Emery County, Utah

Dear Mr. Hughes:

Please find enclosed Notice of Violation N83-4-8-1. This violation is being issued subsequent to my July 27, 1983 inspection. I understand that the hole in the berm has already been repaired. This will be mentioned in my inspector's statement under Good Faith. Even though the hole in the berm was the primary concern, you will want to ensure that the entire diversion and berm is properly maintained as noted in the NOV.

Should you have any questions, please do not hestiate to call me or Joe Helfrich.

Sincerely,

DAVID LOF
