Re: Emery Mine
Consolidation Coal Company

ACT/015/015
#3

Dear Dianne:

With reference to Section UMC 788.12, please consider this letter a request for a revision of the mining plan dated May 12, 1984. Unanticipated mining conditions have necessitated the revision request.

Please note that the proposed operations are within the same hydrologic regime.

Thank you for your attention to this matter.

Sincerely,

John Shotton
