Dear Mr. Klein:

RE: Submission of Supplementary Plans for MRP Amendment, As-Built Plans for Sediment Pond #5 Inlet, Consolidation Coal Company, Emery Deep Mine, ACT/015/015, #3, Emery County, Utah

On August 27, 1985, the Division transmitted eight (8) copies of maps which were part of Consolidation Coal Company's approved as-built plans for the inlet to sedimentation pond #5 for their Emery Deep Mine. Inadvertently, the supplementary narrative and text for the plans was left out of the original transmittal.

Enclosed please find eight (8) copies of the text to be included with the maps.

If you have any questions or need additional information, please contact me or Dave Hooper.

Sincerely,

D. Wayne Hedberg
