Re: Underground Waste Disposal Plan Amendment Request
Emery Deep Mine, ACT 015/015 - 88 (G)

Dear Ms. Linner:

Due to weather related delays in conducting the field work needed to complete the design of the underground waste disposal site at the Emery Mine, Consol respectfully requests a 30-day extension of the March 3, 1989 deadline that was noted in the deficiency review letter of January 18, 1989.

Thank you for your help in this matter. If you have any questions, please call.

Sincerely,

Richard J. Denning
