Dear Mr. Cheeks:

Re: Correction of Permit Document, January 8, 1991 Permit Renewal, Emery Deep Mine, ACT/015/015, Emery County, Utah

It has come to our attention that a mistake was made in the January 8, 1991 permit renewal document under Section 2, Permit Area, which lists Castle Gate Mine rather than Emery Deep Mine. This mistake has been corrected in the enclosed replacement pages. Also included is a copy of Attachment B, which was inadvertently left out of your permitting package.

We apologize for any inconvenience this may have caused.

Sincerely,

Daron R. Haddock
