Date: June 18, 1998

Subject : 1995 Permit Amendment

Chronology from my files:

March 8, 1995 letter from Division signed by Pamela Grubaugh-Littig to John Gefferth of Consolidation Coal. Letter was reminder of Five-Year Renewal submittal must be submitted by September 7, 1995.

May 3, 1995 letter from Division signed by Pamela Grubaugh-Littig to John Gefferth of Consolidation Coal. Letter follow-up of their telephone conversation of April 27, 1995. Division decision not to reformat mining & reclamation plan but required statements of "proposed"/"actual".

September 1, 1995 submittal of Permit Renewal letter signed by Tim Kirschbaum

September 7, 1995 submittal of amendment for permit change. amendment addressed change in ownership from joint Consol and P&M to 100% Consolidation Coal, changed labels on mapping to "Existing" or "Proposed", addressed drainage into the mine at the main portal. Removed 120 acres from permit area for expired (not renewed) State Lease #19797.

January 17, 1996 letter signed by Lowell Braxton for James Carter renewing permit

March 14, 1996 letter signed by Dave Darby with attachment letter dated March 6, 1996 from BLM to Pamela Grubaugh Littig which requested Consol update R2P2 before BLM approved amendment of 9-7-95. Darby letter stated permit amendment cannot continue until BLM satisfied.

September 16, 1996, Consolidation submitted updated R2P2 to BLM by letter signed by Gary Raines to Mark Bailey of BLM.

September 19, 1996, Consolidation Coal sends cover letter signed by Tim Kirschbaum to James Carter referencing attached copy of 9-16-96 letter to BLM.

September 30, 1996, Consolidation Coal submits Amendment for Permit Change to modify some information of the 9-7-95 submittal to correlate with maps submitted to BLM 9-16-96 and change address from St. Louis office to Sesser, IL. Cover letter signed by Gary Raines (Consol) to James Carter of DOGM.

December 1, 1997 letter from Joseph Helfrich to Gary Reins approving "referenced amendments, as a condition to the 1995 Five Year Renewal" . Stamped approved incorporated copy of only 9-30-96 information included: Plate IV-1, Plate IV-2, List of Violation, List of Officers & Directors.

April 2, 1998 letter from Daron Haddock to Tim Kirschbaum requesting amendment change to permit for relinquished State Lease #25005.

Dave, is this close or am I missing some correspondence. I know the inspection reports have some references but did not have time to dig those up.
