Dear Mr. Haddock:

Please find enclosed a table that contains 1997 subsidence data requested in your correspondence dated, April 30, 1998. This table should have been included in the 1997 Annual Report under Appendix B, "Reporting of Technical Data." I apologize for this oversight and trust this will complete the report and satisfy this issue.

If you require other information or further detail concerning the subsidence monitoring, please contact me in this office at (618) 625-6847.

Sincerely,

Timothy D. Kirschbaum
