RE: Response to Remaining Deficiencies Sent by the Office of Surface Mining on February 22, 1985, Utah Power & Light Company, Des-Bee-Dove Mines, ACT/015/017, #2, Emery County

In Reply Refer To Case No. E416

Dear Mr. Braxton:

The Utah Preservation Office has received your letter of March 9 transmitting a copy of the response to deficiencies by Utah Power & Light concerning their Des-Bee-Dove Mines. After review of the response, our office notes that no material concerning cultural resources was discussed. Therefore, our office has no comment on this response to deficiencies for the Des-Bee-Dove Mine.

Consultation provided in this letter by authority of the 1966 Preservation Act as amended, does not indicate approval or comment concerning Tax Act regulations (reference ERTA, 1981, P.L. 97-34, U.S.C., Section 46).

Since no formal consultation request concerning eligibility, effect or mitigation as outlined by 36 CFR 800 was indicated by you, this letter represents a response for information concerning location of cultural resources. If you have any questions or concerns, please contact me at 533-7039.

Sincerely,

James L. Dykman
Cultural Resource Advisor
Office of State Historic
Preservation Officer
