Re: Utah Power & Light Company Response To Office of Surface Mining's Deficiency Letter: Des-Bee Dove Mine ACT/015/017, #2, Emery County, Utah

Dear Mr. Daniels:

My office has completed its review of the above-mentioned response. It appears as though there are no significant changes to the sedimentation pond or hydrology; therefore, the approvals given previously are still valid. Should there be any additional alterations, would you please keep this office advised.

Yours truly,

Robert L. Morgan
