Dear Mr. Hagen: Bob

RE: Ten-Day Notice No. X-86-2-116-4, Utah Power & Light Company, Des-Bee Dove Mine, ACT/015/017, Emery County, Utah.

In response to the above noted TDN, Division Reclamation Specialist Phil Ralphs conducted a partial inspection at the site on June 3, 1986. Notice of Violation N-86-10-2-1 was issued to the operator for failure to maintain the Class I haul road, minimize erosion, and prevent, to the extent possible, contributions of suspended solids off-site (copy attached).

Please contact me if you should have any further concerns on this matter.

Best regards,

Dianne
