Dear Dr. Nielson:

Valley Camp of Utah, Inc. acknowledges receipt of your March 29, 1985, letter to Mr. Trevor Whiteside, our Chief Engineer.

After considerable conversation regarding the contents of that letter, we find that we are not able to make the requested submittals at this time. Further review and conversation are required on our part prior to submitting the requested maps and information. We are continuing to work on your request and, hopefully, will provide you with information shortly.

Very truly yours,

*W. L. WRIGHT*
