Re: Hydrologic Section - Updated Table of Contents

Dear Pamela:

Per our conversation of August 2, 1991, enclosed are three copies of the updated Table of Contents to be inserted in the Hydrologic Section of the permit (Deer Creek ACT/015/018, Cottonwood ACT/015/019, and Des-Bee-Dove ACT/015/017).

If you think the two Division orders and the concerns raised by the Forest Service have been adequately addressed, PacifiCorp will submit an additional twelve copies of the Hydrologic Section.

Please contact us if you have any concerns or comments.

Sincerely yours,

Charles A. Semborski
