RE: PERMIT CONDITIONS, FIVE-YEAR RENEWAL, PACIFICORP ELECTRIC OPERATIONS, DES BEE DOVE MINE, ACT/015/017, EMERY COUNTY, UTAH

Dear Ms. Littig:

The work necessary to address the above referenced Permit Conditions is progressing. The majority of the field work has been completed; however, a significant amount of office work remains. It appears that the remaining work cannot be completed within 45 days of permit renewal, as required by the conditions. Therefore, we respectfully request a thirty-day extension of time to complete the response.

Thank you for your consideration.

Sincerely,

Val Payne FOR
